Rotary Conference Chair E60PQ-120001/045/PQ

Amia is a hardworking, versatile seating solution designed to handle long hours of serious sitting. With fully upholstered back and arms, Amia brings an element of sophistication to any workspace.

Tucked away inside its backrest is Amia's patent-pending LiveLumbar—a system of flexors that contour to fit your spine, for continuous lower back support as you move in your chair. You may not see it, but you'll certainly feel it. As you sit in the chair, an adjustable LiveLumbar zone flexes with your every move, for consistent ergonomic support for your lower back. Hour after hour, day after day.

With additional comfort features like 4-way adjustable arms, adjustable seat depth and a flexible front seat edge, Amia keeps you feeling good. It's a chair for every day, that's not your everyday chair.
