## FYI monitor arms by Steelcase

According to a 2013 Microsoft survey, workers spend seven hours each day in front of computers, often leading to eyestrain, back pain and fatigue. Designed to display screens at optimal heights, FYI monitor arms adjust quickly and easily to accommodate any posture, increasing comfort and wellbeing in the workplace.

GoCUIC	# of Monitors	Mounting Types	Ceiling Price	Steelcase Style #
MASMG	single	grommet mount	\$221.38	FPASINGLECC

## Computer support tools by Steelcase

Computers are getting smaller every day. Unless CPUs are stored properly, they can be difficult to access and can take up valuable floor or worksurface space. CPU holders securely store CPUs within reach, yet out of the way.

GoCUIC	Description	Ceiling Price	Steelcase Style #
	CSSWM work surface mounted	\$87.49	CPRSL
	CSSAF stand alone – fixed	\$73.15	CPRSLFO
	CSSAM stand alone – mobile	\$65.02	QACPUT

## Revo task light by Steelcase

Revo LED personal task light is an attractive addition to any workspace. Dimmable, with a fully articulating body, Revo LED easily adjusts to provide precise lighting where it's needed. The soft, blended light pattern ensures visual comfort, while a touch pad under the head allows you to control power with a single touch.
